ABOUT OUR COMPANY

INTEGRAL TECHNICAL SERVICES LLC IS A COMPANY LICENCED IN UAE, THAT SPECIALIZES IN INTERIOR FITOUT & RENOVATION OF VILLAS, APARTMENTS & COMMERCIAL SPACES. SICE 2022 IN UAE WE HAVE OVER MORE THAN 100 COMPLETED PROJECTS.

.

Our goal is to provide complete furniture fitout & materials production and installation in full accordance with the design project, in the shortest possible time and at maximum quality level.
We take care of all questions on the selection of materials, work with suppliers and further logistics with our in house team based in Dubai.

Founded by Aleksandr Tashchilin

IN-HOUSE PRODUCTION

DIP 1, DUBAI
OVER 5000 SQ M

TRANSFORMING RAW MATERIALS INTO DELIVERED PROJECTS

Villas (UAE)

Full-cycle solutions: custom furniture production, wall panels, and installation.
We work with contemporary and premium materials adapted to the UAE climate.
Our focus is on long-term durability.

Apartments

Turnkey apartment renovation solutions:
— built-in and custom furniture
— decorative and architectural wall finishes
— kitchen, doors, flooring
Projects are designed both for private living and rental investment purposes.

Commercial Spaces

Offices, showrooms, and private studios.
We create interiors that strengthen brand identity and increase the value of the space for both clients and employees.
